[18-mc-7 In re: David Merrill]

REFUSAL FOR CAUSE

original

COMES NOW, David Merrill of the family VAN PELT, a PATROON, hereinafter "David Merrill", speaking in ministerial capacity for several garnishments in the United States District Court for the District of Columbia, and as private attorney general and Patroon. Demand is made for redemption of central banking currency in Lawful Money in all transactions pursuant to Title 12 USC §411 and §16 of the Federal Reserve Act. Service to the agent is service to the principal and vice versa.

This Remand plainly **ORDERS** that chief justice of the US Supreme Court John Glover ROBERTS is to visit in the limited capacity only, to oversee that there is no clerk tampering or coercion in executing the Remand, garnishments and writ of enforcement of the \$20M lien collection according to rules and law. Longino Idrogo has continued FOIA request for ROBERTS' oath of office from the Department of Justice and that may take until about the end of the month to know if ROBERTS is properly bonded or not. The clerk is expected to continue process of garnishment, "*USA v. SEALED DEFENDANT NAME...*" and summons in the meanwhile. Managing the publication of PACER process has no effect in law, as attached is the

original Refusal for Cause on the oaths of office for Lawrence E. KAHN, pretend Senior Judge whose name appears on this Case#18-mc-7 Remand docket report. [Please correct my mailing location to: 720 N. 10th St; STE A] KAHN has no authority to terminate, dismiss, or in any way dispose of this matter.

Clerk of Court; Please file and publish this Refusal for Cause on PACER. I am willing to keep the publication relatively quiet in conformity with Our ministerial mission statement so long as you, Lawrence K. BAERMAN stay in honor by abiding in the Rules. My desire is to protect the good faith and credit of the USA and for the benefit of the United States, in honor.

Thank you,
